MRS. FINCH, (sweetheart rose) very hardy, good for beds or for hedges as well, \$1.00 each; 12 for \$10.00.

**GUARANTEED:** All these roses are guaranteed except winter kill. Should any bushes planted in the spring fail to grow within two months after planted it will be replaced free of charge upon return.

### OUTDOOR ROSE CULTURE

#### 10 Important Instructions

1. Choose drained location with southern exposure.
2. Three parts rich top soil and one part cow manure, mixed.
3. Dip the roots in water before planting.
4. Plant deep to cover graft joint, one inch below the surface.
5. After planting, water well so the water will reach all the roots.
6. Keep the soil well cultivated all the time.
7. When insects start to appear, spray with insecticides.
8. While plants are growing, feed lightly on moist soil monthly.
9. In fall pile soil or leaves on plants about ten inches high.
10. In the spring, uncover, prune, cultivate as above.
